Dear Sirs:

Attached is a copy of the Annual Operations and Progress Report for the Vanadium Queen uranium mine located on La Sal Creek in San Juan County. You will note that there was no activity on the property in 1984 (and neither was there any in 1982 and 1983); consequently, I have completed only the first page of the report.

I trust that this will suffice for your records.

Sincerely,

*Robert G. Young*

Dr. Robert G. Young, Agent
